A4 plastic information post with weighted base - black/yellow

A premium monobloc bollard used to easily mark off access points, whether temporarily or permanently. It has a concrete-weighted base for stability and is made of ABS and polypropylene. This bollard features an A4 information panel that can be positioned in landscape or portrait orientation, along with two rings, one with holes and the other with hooks, for hanging chains in four possible directions. Additionally, it has a threaded top for attaching additional information panels. It's available in various colors, and the chains and information panels are sold separately.

EAN 3321360022790
HS Code 3926909790

Color : Black/Yellow
Made of : ABS / Polypropylene

Specifications :

Width (mm)	Base diameter (mm)	Post diameter (mm)	Net weight (kg)
280	280x280	50	5,23
