Description:

The CT4433 is rated to 1,000 V CAT III / 600 V CAT IV [a] and 10 A max.

The clip comes with a solder slot for connections to test lead wire up to 13 AWG. This clip accommodates conductors up to 7 mm in diameter. Once in place, the spring loaded, three-incisor mouth will hold securely to screw heads or flat headed objects.

The CT4433 is available in black or red. The CT4434 includes both colors.

a. Must be used in conjunction with other similarly rated products.
